

## Memo for Members ~ May 2023

It is with great sadness that I inform the membership of the passing of two long-time co-op members. Viktorija Lukic in unit #13-960 Limeridge and Diane Stanhope in #11 - 100 Leggett. Viktorija could be seen sitting outside her unit happily give treats to the co-op children that were outside playing. Diane was a kind and thoughtful neighbour and friend to many. The kindness and wisdom they shared with others will be missed. Our thoughts are with their families.

### Annual Member Information Update

The annual member information forms are attached. Please complete and return the forms to the office so your member file can be updated. The information on the forms, particularly the contact numbers, emergency contact and number of people residing in a unit, is needed to ensure the safety of our members in the event of an emergency.

The forms are due back in the office by **Friday May 26<sup>th</sup>**.

### Co-op Exterior

**Pet Concerns** ~ There has been an increase in the amount of dog poop on the front lawns and common areas (particularly behind the units). Item #7 of the Co-op's Pet Control Policy states *"Pet owners must immediately clean up any mess created by their pets whether within their unit, on the grounds attached to their unit or in any common area of the Co-op."*

Dogs must be on a leash and not roaming on their own.

### Spring Clean Up ~

We will be getting the bins again for bulk items again this year. They will be dropped off on Wednesday May 24<sup>th</sup> and picked up on Monday May 29<sup>th</sup>. Further details regarding parking, what can and cannot go in will be sent out in the coming weeks.
