

Memo for Members ~ November 17, 2023

Garage Frame Capping at Limeridge

Units at Limeridge are scheduled to have aluminum capping installed on the garage door frame. The capping will help protect the framing from deterioration and damage. Upright Garage Doors will be onsite the week of November 27th to complete the work at all our Limeridge units. Access to your garage will be needed during this time until your unit is completed.

Salt Pails

Our snow removal company will once again provide a pail of salt for each unit. Members will be responsible for getting their own salt once their pail is empty.

AGM

The next AGM is scheduled for Tuesday December 5th. Packages will be going out next week.

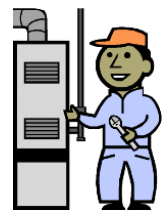

Maintenance Vacation

Shem will be away Friday December 1st and Monday December 4th for vacation.

Furnaces

Members are to call Reliance directly at 1-888-837-1451 for any furnace issues.

Furnace filters, which are available in the office, should be changed regularly. Please make note of the size you need, as we have a couple different sizes.

For hot water tanks, please call Reliance at 1-866-735-4262. Service calls are covered under the co-op's protection plan with them. If you have any trouble, please contact the office, or the on-call cell during closed office hours.
