To activate your service, contact your Rogers Service Specialist to obtain your bulk offer:

☎ 1-855-759-5856 🕒 Sunday - Saturday 7am - 10pm EST

Available to new customers residing at the building identified, subject to change without notice. Taxes extra. Data usage subject to Rogers Terms of Service and Acceptable Use Policy (see [rogers.com/terms](http://rogers.com/terms)). If you change or cancel your services at any time, bundle benefits will no longer apply. You are receiving an offer for these services under a bulk arrangement between Rogers and your building. If the bulk arrangement ends, this service will be cancelled. At that time, you may choose to subscribe to services with Rogers at then-current rates, subject to any applicable rate increases. **1.** Separate subscription(s) required. To access YouTube content, include "YouTube" in the voice command. **2.** Assuming optimal network, equipment and customer device conditions. Based on current capabilities of available equipment technology, for Ignite Internet Gigabit an Ethernet/wired connection is recommended to reach maximum download speeds of up to 940 Mbps + 60 Mbps transmission overhead for fibre-to-the-home addresses, and at least one additional wired or wireless connection is required to reach maximum download speeds of up to 1 Gbps for fibre-to-the-neighborhood cable addresses. See Acceptable Use Policy at [rogers.com/terms](http://rogers.com/terms). **3.** For direct dialled conversations/voice messages to local Canadian numbers only, based on a total of 44,650 minutes/mo. Taxes extra. Existing Rogers Home Phone customers who subscribe to a Rogers Ignite bundle must switch to the Ignite Home Phone service (activation optional) and their existing home phone service will no longer be available. Ignite Home Phone operates with the Ignite WiFi Gateway modem with no battery back-up. In the event of a power or network outage/disconnection, Ignite Home Phone service will not be available and you will not be able to make any voice calls, including Emergency 9-1-1 calls. Certain features not available with Ignite Home Phone service, including TV call display, distinctive ring, auto connect, foreign exchanges and multiple lines. Chat lines, data, fax and/or long distance calls made using call forwarding and three-way calling features are prohibited. <sup>TM</sup>Trademarks of or used under license from Rogers Communications Inc. or an affiliate. ©2021
