

Memo for Members ~ March 28, 2018

Safety/ Door to Door Sales/Utility Reps ~

A couple of people were going around to units claiming to be there to install water filters under the kitchen sink. These people were very persistent when denied entry and did not have any credentials when asked. Members are reminded to be cautious when approached at the door by sales people or persons claiming to be a service rep. These house calls were **not** arranged through the co-op. You will be notified by the Co-op in advance should a service person be required to visit your unit.

Scholarship Program ~

The Golden Horseshoe CHF is now accepting applications for their Diversity Scholarship Program. You could receive up to \$5000.00 towards your post secondary education. This is open to:

- students graduating from high school and entering full time Canadian College or University,
- students who are currently enrolled in college/university or
- anyone returning to college/university after a break.

There is no age limit to apply. Email request to ghchf@primus.ca Deadline is May 14th, 2018. Contact the office if you require any assistance or more information.

Grocery Carts ~ We are getting a collection of grocery carts at both the Leggett and Limeridge sites. Members must ensure that they return the cards and not leave them on co-op property. Not only is it an eyesore, but it is tempting for the kids to play with, which could result in injury and damage to vehicles and property.

Annual Unit Inspections – At the end of April. Unit Inspection forms and information will be going out to all units. Unit Inspections help determine the maintenance needs of the co-op and assist with the planning and scheduling of repairs/replacements.

GMM Meeting – Our next general members meeting is scheduled for Tuesday April 24th, 2018 at 7pm. Your member package will be sent out in April.

New Members – Welcome new members Phillippe and Manon in #25 and Ryan and Karen in #33 along with their families.

Vehicles – A reminder to members that vehicles must be in running order and have up-to-date stickers to be on co-op property. This includes your driveway. If your vehicle has expired plates and/or is not road-worthy, it must be fixed with proper tags, or removed from the co-op.

Thank you for your co-operation.

Have a safe and happy Easter long weekend.

The office will re-open on Tuesday April 3rd. Housing Charges are due Tuesday April 3rd.
