**Deadline is May 11th, 2020.**

Contact the office if you require any assistance or more information

## **Garbage Clean Up and Curb Appeal**

We cannot stress enough the importance of keeping the exterior of your unit clear of garbage and debris, not just for curb appeal, but to help deter the rodents, pest and wildlife.

Recycle bins, green bins and garbage containers should not be left in front your units. These are to be kept in your enclosed backyard or garage.

Toys, bikes, chairs and tables should be put away when you are finished with them and not left on the front lawns.

Driveways are meant for your properly plated and insured vehicle and should not be used as storage. If you require bulk pick-up of unwanted items, you must call the city at 905-546-2489 and make arrangements prior to putting things out.

Grocery Carts – If you bring a grocery cart on to the property, you are responsible for returning it to the store. Carts are not to be left on co-op property.

Dog Poop – Members not cleaning up after their dogs continues to be an issue. Please be advised that should the city or animal control be called about it, any fines or clean up fees will be billed back to the responsible member.

Thank you for helping to keep our co-op clean and presentable.

**Parking** ~ There is it be **NO** parking on the grass areas of the co-op. If you do not have space in your driveway, then you must park out on the street. Members on Limeridge are asked to be mindful not to drive up on the grass when pulling their vehicle up to the mailboxes.

Thank you for your co-operation
